# ROW 120 MINUTES

**FOR THE 120 KIDS DIAGNOSED WITH BRAIN CANCER**

**Greenfields, Albert Park, VIC**

We're inviting teams of 4-6 members to row their hearts out for brain cancer, competing in a 120 minute relay challenge for the 120 kids (under 12 years of age) who are diagnosed with brain cancer each year.

Entry is free, however we ask all teams who plan to compete at the in person challenge event to commit to a \$1000 fundraising target and participants who fundraise \$35 or more will receive a limited edition Connor's Erg singlet.

Teams are required to bring their own erg for the challenge

*Register your team here*
